

Faculty Profile

Name: **Nishit Kumar Srivastava**
Designation: Assistant Professor
Teaching Areas: Operations Management
Supply Chain Analytics
Project Management
PhD Thesis area: Plant Maintenance
Education: Ph.D., IIT (ISM), Dhanbad, 2015
M.Tech., IIT (ISM), Dhanbad, Jharkhand, 2010

Professional Experience (6 Years)

1. Assistant Professor, IFHE University: May 2017
2. Guest Faculty, MNNIT Allahabad: August 2016 to May 2017
3. Assistant Professor, UIT Allahabad: July 2015 to August 2016
4. Assistant Professor, ASBM Bhubaneswar: October 2013 to May 2015
5. Research Scholar, IIT (ISM) Dhanbad: June 2011 to October 2013

Research/Selected Publications

1. Parihar, S., Bhar, C. and Srivastava, N.K. (2017). "Assessment of environmental risk from the project team's perspective in electrical transmission line installation projects", *Vision*, 21 (2), 1-10. (Scopus Indexed)
2. Srivastava, N.K. and Mondal, S. (2016). "Development of predictive maintenance model for N-component repairable system using NHPP models and system availability concept", *Global Business Review*, 17 (1), 105-115. (Scopus indexed; "C" in ABDC)
